## **Catholic Medical Association (UK)**

The Catholic Medical Association (UK) is a registered charity which all Catholic healthcare professionals, hospital chaplains and managers involved in clinical service may join to access a range of services which aim to make it easier for you to integrate your faith and your clinical practice, to network online or at branch meetings with like-minded colleagues in your area or with specialty interests in common.

## The Anscombe Bioethics Center

The Anscombe Centre is a Roman Catholic academic institute that engages with the moral questions arising in clinical practice and biomedical research. It brings to bear on those questions principles of natural law, virtue ethics, and the teaching of the Catholic Church, and seeks to develop the implications of that teaching for emerging fields of practice.
